

# Value-Added Orthodontic Discount

Delta Dental of Idaho members don't have to 'brace' for the cost of orthodontic care. Delta Dental's Value-Added Orthodontic Discount provides Idaho members and their eligible dependents a discounted rate for adult and child orthodontia if they obtain care from a Delta Dental of Idaho Discount Program orthodontist.

## Maximum fee of \$4,850

### Who is Eligible?

All Idaho members and their eligible dependents enrolled in a Delta Dental of Idaho dental plan and receiving orthodontic treatment in Idaho are eligible for the Value-Added Orthodontic Discount.

### How Does the Discount Work?

Delta Dental of Idaho members experience substantial savings because Orthodontic Discount Program dentists agree to a maximum fee of \$4,850. For example, if the total cost of your orthodontic treatment is normally \$6,000, you'll see a savings of \$1,150.

Members simply call and schedule an appointment with a Delta Dental of Idaho Discount Program orthodontist and present their Delta Dental of Idaho ID card at the time of their initial appointment. Members will know their total out-of-pocket costs prior to the beginning of treatment, eliminating any surprises!

### Is There a Cost for this Orthodontic Program?

No. Delta Dental of Idaho's Orthodontic Discount is a value-added service and is not insurance.

Please see the back of this flyer for a list of orthodontists in the Discount Program.
